WHY CHOOSE CUP TIME?

Hygiene : We ensure a hygienic and safe process of making tea and coffee. Our equipment is specially customized and has no contact with employees, except for the final procedure. The flasks are always sanitized and sterilized before filling.

On-time delivery : We deliver our flasks to your office doorsteps promptly, without any excuses. Our commitment is to serve them at the right time so that your employees can enjoy their refreshments.

Cost-effective : We understand the importance of affordability for our clients. We make sure that our services are an affordable option that fits into their budget.

Premium quality : Our business motto is to provide premium quality in taste and authenticity of our filter coffee and tea. We take pride in maintaining this standard since our launch.

Easy Order with Mobile App : With our fully functional mobile application one can place order and do payments from their desk effortlessly.
